TODAY!

We look forward to sharing our common interests and heritage with you.

The American Scandinavian Association of the National Capital Area, Inc. is a local non-profit cultural organization incorporated in the District of Columbia.

The goals of the ASA are to promote cultural exchange between the United States and the Nordic Countries of Denmark, Finland, Iceland, Norway, and Sweden; to increase understanding of the Nordic peoples and societies among Americans; and to provide a forum where people interested in Scandinavia can meet and enjoy Nordic culture and activities.

ASA draws on the cultural, professional, educational and diplomatic resources of the National Capital area to provide ten stimulating monthly meetings - including a Christmas St. Lucia Fest and a Scandinavian Midsummer Celebration and Picnic.

ASA also publishes a monthly newsletter with a calendar of Nordic events in the area and activities of the various Nordic societies in and around Washington, DC.

ASA funds grants for Scandinavian programs and studies, and sponsors the Scandinavian Literature Group.

ASA regular meetings are traditionally held on the third Monday of each month in Bethesda. The meeting times and places are listed in the newsletter. For more information about ASA meetings or special events, please see the ASA website at www.scandinavian-dc.org.
