

## MONDAY EVENING PARKING

(within a 5 minute walk of St. John's)

There are many free and legal parking spaces within a short walk to St. John's. There is limited parking available in Lot One (see *parking diagram on the next page*) to the immediate north of the church (enter from Wisconsin Ave. just past the church) - park in spaces on the right, designated for St. John's Church only.

The parking spaces described below are shown in the diagram on the next page.

Parking in a metered lot is described on the page after the next one.

### Option One: Street Parking (*see little solid rectangles in the diagram on the next page*)

- On West Avenue, next to the playground, parking is available in 4 spaces. Three parallel parking spaces across the street are also available after 7 PM on Monday.
- After 5 PM on Monday, Wisconsin Avenue (south of Bradley Lane) is unrestricted from Nottingham south, including Nottingham, Norwood Drive and Chevy Chase Blvd. (many spaces).
- Bradley Blvd. (west of Wisconsin) on the North side: Unrestricted all times from Strathmore west. Between Strathmore and Wisconsin, 6 spaces unrestricted after 6:30 PM.
- Bradley Blvd. (west of Wisconsin) on the South side: unrestricted parking at all times from 4740 (Carlton House) to Offutt.
- Chevy Chase Drive: 12 spaces unrestricted on Saturday and weekdays after 6 PM, Otherwise 2 hours unmetered parking.
- Strathmore Street: unrestricted after 7 PM.
- Wisconsin Avenue (north of Bradley both sides to Walsh Street) - 13 spaces. Unrestricted after 6:30 PM, otherwise one hour limit. No parking Monday through Friday from 3:30 - 6:30 PM (You will be towed by 3:35 PM!)

**CAUTION:** Except for the block of West Avenue behind the church, no parking is allowed anytime anywhere on side streets east of Wisconsin Ave. on the map (i.e. Chevy Chase residential areas).

### Option Two: Lot Parking (*see diagram on next page*)

- **Lot One:** Immediately adjacent to church; Please do not park in Pier One marked spaces. Park in St. John's designated spaces only.

**NOTICE!!! Unauthorized vehicles will be towed at owner expense. If your vehicle is towed, call Asikin's Towing at 301-530-2888.**

**Lot Four:** Drive two blocks north of the church on Wisconsin Ave. Turn right (east) on Walsh Street (see map and the picture below it on **Page iii**) and turn left into the lot (see X on map). There are parking meters that you must use until 10 PM. The Lot is named '**Walsh Street Parking**'. These spaces are not free, but they are inexpensive at 75 cents per hour. However, you will need quarters. This parking is a Public Lot.

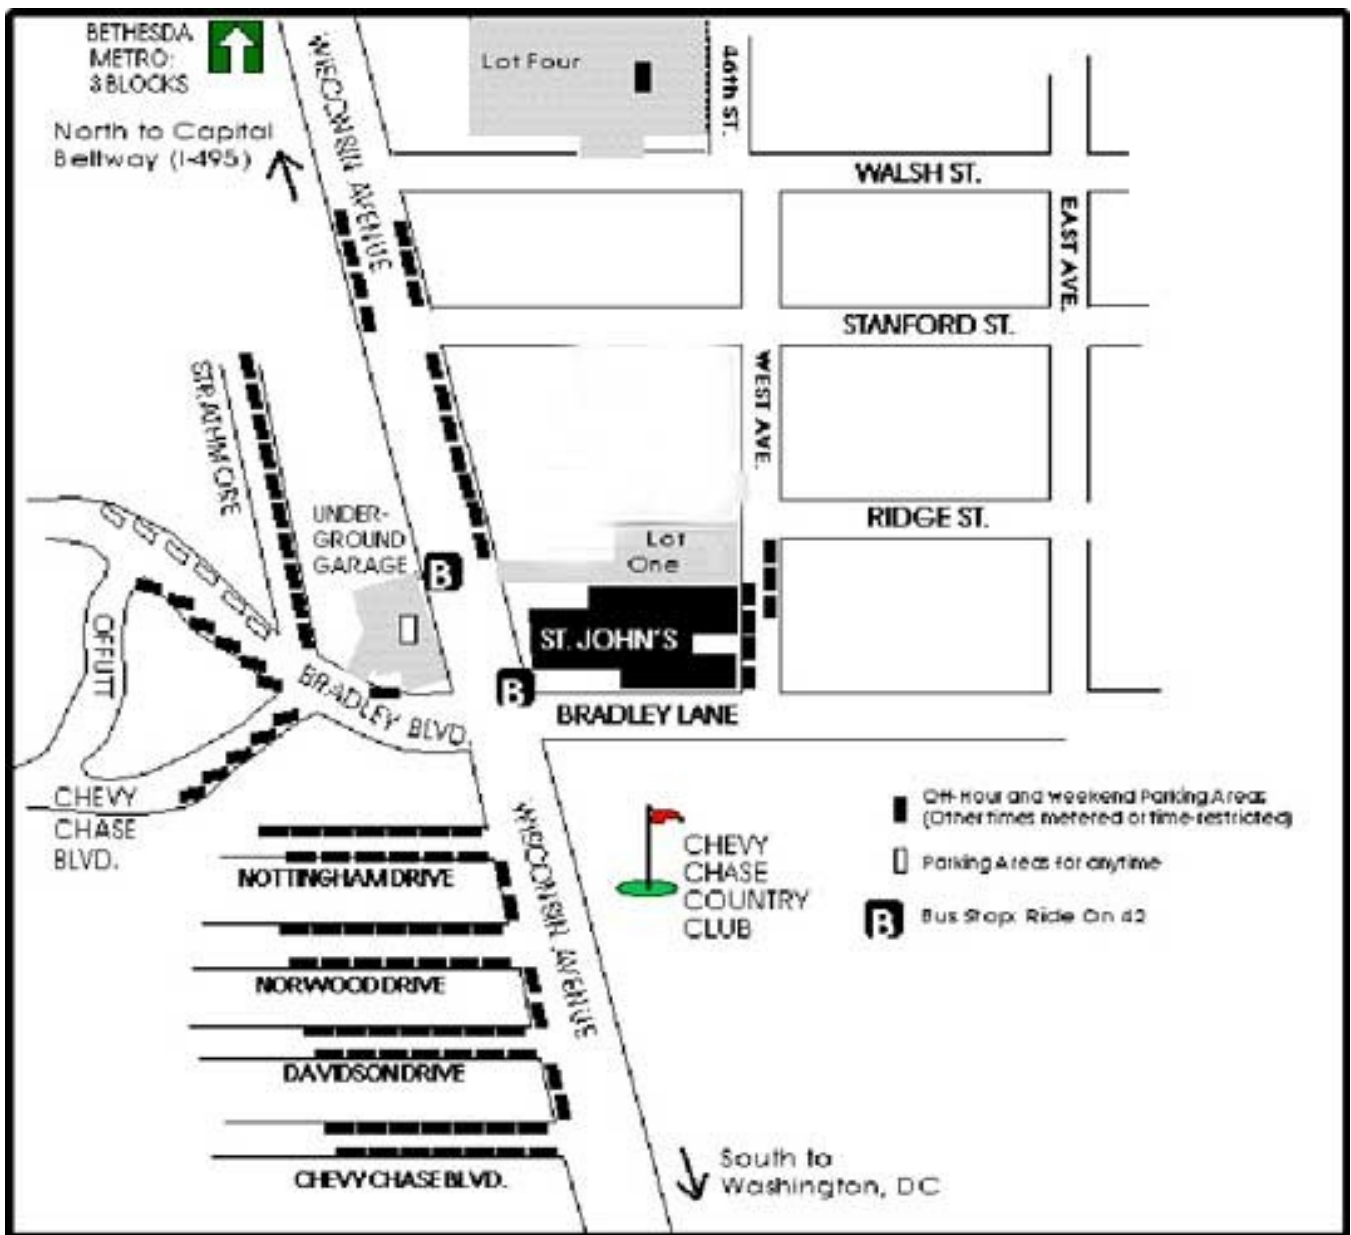

This parking in a metered lot is further described on Page iv (*the page after the next*).

### Option Three: Garage Parking

- Staples Office Supply Garage Parking. Enter from north side of Bradley Blvd., just east of Strathmore Street. Underground self-parking with elevator to Wisconsin Avenue exit opposite the church. There is a parking fee.

## ***PARKING DIAGRAM***

ASA members and visitors should be advised that St. John's does not own the parking lots/garages identified on this page. Neither the church's insurance nor the insurance of the property owners will cover claims of members or visitors parking in these locations. Park at your own risk on any day of the week. By using these parking areas you waive any claim against lot owner for any damage, theft or injury. Please, read posted signs carefully.

## LOT FOUR – METER PARKING

(within a short walk of St. John's)

To walk to the church from this metered lot, walk south in the lot to Walsh St on the south side of the parking lot. Then turn left and walk east to West Ave., then turn right on West Ave. and walk 2 blocks south to the rear of the church, turn right at the walkway and enter on the right (or straight ahead).
